

Baptismal Preparation Classes 2020-2021

First time parents seeking to have a child baptized must attend a preparation session prior to scheduling your child's baptism. We offer these sessions once a month to help parents understand the meaning of Baptism and to explain the process to prepare for the sacrament. We review the Rite of Baptism, the role of godparents and the ways the parish supports families with young children at each of these sessions.

We usually meet in the parish office library at 7p.m. but during the current pandemic, we are gathering online only. Check the bulletin and website for updates or contact Patty Spear.

Registration is necessary so we can provide you the link.
Dates are scheduled for the following Thursday's in the 2020-21 academic year.
